Global Gathering 2018

September 25 - 30

Luxor, Egypt

Hotel Recommendations for Gathering Participants

There are many hotels in Luxor. We have come up with a list of recommended hotels that we have visited, and that have a good relationship with our local host, Funtasia Cultural Centre.

The hotels listed below are within easy reach of the Global Gathering venue (Funtasia Cultural Centre) which is in a rural location outside of the main centre of Luxor. We've included a map at the end of the document so you can see where each hotel is located. We recommend that you stay at one of the hotels listed below so that the group stays together and to facilitate transport and logistics.

All prices shown are agreed with the hotels on the current exchange rates (May 2018) and include lodging, three meals and all taxes. Breakfast will be served at your hotel. Lunch and dinner for all gathering participants will be served at the Nour El Balad hotel, right beside the Gathering Venue. If booking close to the Gathering date, prices may vary due to local currency fluctuation.
